****Wanting a bit more space but still wanting great fuel economy?**

These brilliant mid sized Hybrid Honda Fit Shuttle wagons are just perfect for so many reasons. They are incredibly fuel efficient yet still have HUGE amounts of get up and go and have a HUGE boot space with a completely flat floor once you fold the rear seats flat. The modern interior is a really nice place to be and this late modern wagon is at home on the open road as it is hip hopping around the city**
