Fantastic looking and just so incredibly hard to find Mitsubishi RVR (aka ASX). They are a great option when wanting a small to mid sized Hatchback/SUV that offers excellent visibility and access without having to spend an absolute fortune and break the bank! . Insanely reliable, the RVR is just the perfect size for Wellington streets and tiny parking spaces with compromising interior space and comfort. Immaculate non-smokers condition throughout and fitted with a NZ New Bluetooth Audio for both phone calls and Streaming music
