****YES its a HYBRID and you will be hard pressed to find another like this. Travelled only 38,000kms this standout and absolutely pristine condition Subaru XV Hybrid will suit the fussiest of buyers in everyway. In our opinion these are one of the best options in AWD SUVs as they perfectly sized for suburbia yet has loads of space and the extra ground clearance for those off road adventures or ski trips. Incredibly popular and superbly featured hatchback and with these kms probably the best in NZ****
