**The 2019 Mini Countryman Cooper SE ALL4 PHEV is essentially a fun 4 door hatch sports car with a plug! It pairs a spunky 1.5ltr Twin-Power Turbo engine with instant electric torque motor to pump out 221 horsepower, blasting from 0 to 100 kph in a quick 6.7 seconds. With smart ALL4 all-wheel drive, you get serious grip in the rain and total confidence around twisty back roads. You can switch up your drive with customizable eDrive modes—go all-electric for quiet, emission-free coffee runs, or let the car blend both power sources to sip as little as 2.5 L/100km (though your lead foot will ultimately decide!). Inside, it stays practical without losing its personality. You get a slick touchscreen display, customizable ambient lighting, and flexible rear seats to pack in extra gear. It's effortless electric power for the
