**\*\*ITS ALL ABOUT THE KMS!!** These popular hybrid wagons are super hard to buy with low kms out of Japan so don't let this one get away. Wanting a bit more space but still wanting great fuel economy? These brilliant mid sized Hybrid Honda Fit Shuttle wagons are just perfect. They are incredibly fuel efficient yet still have HUGE amounts of get up and go and have a HUGE boot space with a completely flat floor once you fold the rear seats flat. The modern interior is a stunningly nice place to be and this late modern wagon is at home on the open road as it is hip hopping around the city\*\*
