**The Polo GT is one of those cars that you need to see and drive to experience what small car motoring should be. These hot hatches are certainly more powerful with their 1.4tr Turbo engine which has a much bigger kick than the normal 1.2tr TSi model. Sublime handling as you would expect from a GT model and a stunning upgraded sport interior including seating. The GT also features VW's very clever Active Cylinder Technology (ACT), which shuts down two cylinders under light throttle to save you fuel. All in all these are one
