****One of the hardest cars to try and buy out of Japan. Latest Model Honda HR-V Vezel Hybrid Cross-Over SUV with great kms and in the colour everybody wants....black! This is pretty much what you buy brand new but without the extra big price tag. Absolutely feature packed throughout with every single goodie, tech feature or safety system you could ever want or need. Immaculate non-smokers interior and with Hondas new generation of Magic Seats the useable space available is just unmatched in any other similar vehicle. This is the only one we have been every able to buy so don't let it get away from you as it could be a long time**
