One of the cheapest 2018 Suzuki Jimnys in NZ ... and its the nicer more upmarket SIERRA version as well !! This Jimny Sierra is the perfect blend of legendary off-road heritage and daily-driver practicality. As a 2018 model, it sits in that "sweet spot" of the Jimny timeline—offering the rugged, mechanical soul of the 3rd generation with the reliability of a late-model build. With its ALLGRIP PRO 4WD system (featuring a proper low-range transfer case), separate ladder-frame chassis, and impressive ground clearance, it's a genuine mountain-conqueror in a compact package. It's been well-loved and is ready for its next chapter, whether that's as a weekend explorer, or a stylish urban runabout that stands out from the crowd. These manuals are becoming harder to find in this condition—don't miss your chance to purchase one of the best value Jimnys in NZ
