****At only \$13990 driveaway this 2017 Note e-Power is superb value for the budget-conscious buyers seeking a fuel-efficient and reliable vehicle. This innovative model features a unique powertrain that combines a small petrol engine with an electric motor. The engine acts as a generator, charging the battery that powers the electric motor, resulting in impressive fuel economy yet a very quick performance from a hybrid! You can enjoy the benefits of electric driving without the additional Govt Road User costs or the range anxiety associated with**
