**The Cross Polo is a unique vehicle that combines the style of a hatchback with the versatility of a crossover. It's peppy, fun, and easy on the gas and the increased ground clearance gives the driver a better view of the road and also allows much easier access into the car. It's the perfect combination of sporty performance and German engineering, offering a zippy yet fuel-efficient drive and it won't break the bank. It's perfect for zipping through motorway traffic and squeezing into those city sized parking spots but will easily handle the
