\*\*Honestly, just the coolest wagon's in the world! The Mini Clubman is the hardest Mini to track down and buy because nobody seems to want to give them up for sale. Longer than a normal Mini giving both a bigger boot space and a bigger interior allowing them to be a 5 seater many Minis are only 4 seaters. The Clubman also comes feature packed with all the extras that makes these super cool cars even better. The split barn style doors on the back are convenient plus easy to use and also add that little extra wow that other cars don't do. Tons of power from the 1.5ltr TURBO engine yet still allows great fuel economy.\*\*
