****Why settle for an older model when you can buy a much newer 2021 version for under \$20K !!! Incredibly hard to find and certainly the only one in Wellington (only a couple in the whole of NZ) this immaculate late model Hybrid wagon should be right at the top of your shopping list. It's got all the latest tech and safety features you could ever want, including Honda Sensing but the real magic of this Shuttle is its versatility. It's incredibly fuel-efficient and yet, it still has a huge amount of get-up-and-go, plus, with a massive boot and a completely flat floor when the seats are folded down, you've got all the space you will ever need****
